

THANK YOU FOR THE SUPPORT

This weekend, team White Oak took part in Pelotonia's 38-mile ride in support of Cancer research. Everyone put in a great deal of work on the road and raising funds for the cause.

With the support of our friends, families, and colleagues at White Oak, the team was able to exceed the fundraising goal and will pass the \$20k mark this year. Pelotonia riders have raised more than \$13 million this year in support of the life-saving research that is being done at Ohio State's James Cancer Hospital.

This year's ride was a great success, but our mission to find a cure remains. The planning for next year starts now. Please reach out to a rider if you have questions or want to ride/volunteer next year.

If you would still like to donate to the cause you can do so by clicking the link below.
