

100% EFFORT. 100% IMPACT. WE ARE ALL IN FOR PELTONIA 2022

Members of the White Oak Partners team are joining efforts to ride together in Pelotonia 2022 in August. Pelotonia is a three-day experience in Columbus, Ohio that includes cycling, entertainment, volunteerism, and camaraderie – all for a great cause. Founded in 2008, Pelotonia was established with the objective to fund innovative cancer research. 100% of every single dollar raised is directed to life-saving cancer research at The Ohio State University Comprehensive Cancer Center-James Cancer Hospital and Solove Research Institute. Through its first thirteen rides, Pelotonia raised more than \$236 million for innovative cancer research.

White Oak Partners is proud to once again support our riders in their passion for cycling in support of the work necessary to find a cure for cancer. Our riders range from biking newbies to experienced cyclists who all have a common goal of ending cancer.

We invite you to support our team by making a donation (100% tax deductible) and cheering us on during our journey in August!

Together, we are unstoppable.

100% OF ALL MONEY RAISED WILL GO TO PELTONIA AND CANCER RESEARCH
